

Agenda 10th of March 2016

Event location: The Gallery, Hengelosestraat 500, 7521 AN Enschede

9:00 -10:00 o'clock Registration

Kick-Off of the INTERREG-Project „Sustainable Surfaces en Membranes (S²M)“

10:00 - 12:00 o'clock

- Welcome
- „Microorganisms and our ambivalent relationship“, Dr. Michael Lohmeyer, Mikrobiologisches Labor Dr. Michael Lohmeyer GmbH
- „Presentation of antimicrobial approaches“, Prof. Dr. Gregor Luthe, Smart Material Printing B.V.
- „ Presentation of Membrane Technologies“, Dr. Ir. Antoine Kemperman, University of Twente

Lunch

„Branchentag Oberflächentechnologie“ (Conference of Surface Technologies)

13:00 - 14:00 o'clock Session 1

- Welcome
- „Innovationprocesses at NRWO!“, Martin Gründkemeyer, Netzwerk Oberfläche NRW e.V.
- „**Circular value:** Zirkuläre Wertschöpfung: Resource economics under Cradle to Cradle quality standards“, Dr. Tanja Scheelhaase, EPEA Internationale Umweltforschung GmbH
- „Cradle to Cradle in Surface Technology“, Lars Baumgürtel, Voigt & Schweitzer GmbH & Co. KG
- „Sustainability in binding agent development “, Toine Biemans, Worlée-Chemie GmbH

Break

In Kooperation mit:

14:30 - 15:30 o'clock Session 2

- „Innovative solutions in safety- and environmentally relevant production sectors“, Martijn Franssen, Systems For All B.V.
- “LEAP project - Low Emission Application of Powdercoating”, Bram Fieten, Van Wijhe Verf B.V.
- “Polymer Recycling & 3D Printing & Coatings”, Mireille Kinket, Polymer Science Park
- “How High Throughput Screening (HTS) can speed up your product development”, Harmanna Henderiks, DSM N.V.

Break

16:15 - 17:15 Uhr Session 3

- „ Development and apply of a programmable deep-drawing mould for a cost-efficient production of small quantities“, Dr. Marvin Klein, Demcon Advanced Mechatronics B.V.
- „Safe Touch coating for hot surfaces“, Joachim Müller, Worlée Chemie GmbH
- „Druckluft-Effizienz-Bewertung ISO DIN 11011:2015“, Christian Peters, A und O Energieoptimierung
- „Innovationen in anodisation“, Dr. Karl-Heinz Pietsch, TK-Oberfläche GmbH

Dinner

[Netzwerk Oberfläche NRW e.V.](#)

18:00 - 19:00 o'clock regular general membership meeting

In Kooperation mit:
