# Innovations for integrated industry.

## Welcome to HANNOVER MESSE 2015!

Discover a host of product innovations and the latest technology from 13 to 17 April 2015 in the following categories:

1. Industrial automation and IT
2. Energy and environmental technologies
3. Power transmission and control
4. Industrial supply, production engineering and services
5. Research and development

From individual components to the complete intelligent factory, as well as topical trends such as energy efficiency, lightweight construction and additive manufacturing – here you'll get a complete picture of the industrial value-adding chain under one roof.

## “Integrated Industry – Join the Network!”

The headline theme for 2015 says it all: meeting the key challenges of Industry 4.0 – such as standards for machine-to-machine communication, issues of data security or the search for future business models – calls for network-based solutions.

## Partner Country 2015: India

India is emerging as an economic powerhouse, and is now one of the fastest-growing economies in the world. It welcomes more foreign investment to modernize its infrastructure and industrial plant. Visit the main national display in Hall 6.

# Specials that you should not miss.

## Global Business & Markets

Featuring a conference program and an INVESTMENT LOUNGE, this foreign trade platform focuses on export and investment opportunities. [www.hannovermesse.de/en/gbm](http://www.hannovermesse.de/en/gbm)

## Industrial automation and IT

### Industrial Automation

#### Production automation (Halls 16, 17)

- Robotics and systems integration
- Solutions for automation technology
- Mechanical and plant engineering
- Image processing
- Microsystems and laser technology
- Linear motors
- Conductors and energy carriers
- Identification
- Mobile robots
- Lasers
- Application Park Robotics, Automation & Vision

#### Production and process automation (Halls 14, 15)

- Electric power transmission/Motion control
- Pneumatic systems
- Production logistics & handling equipment
- Pumps and pump systems
- Vibration measuring systems
- Industrial Automation Forum

#### Process and energy automation (Hall 11)

- Solutions for automation and energy engineering
- Process automation solutions
- Process control systems
- Measurement and control systems
- Process analysis technology
- Connection/interface technology
- Building automation
- Engineering, maintenance, services

#### Automation Technology & IT (Halls 8, 9)

- Industry 4.0
- Industry 4.0 Forum
- Virtual reality
- SmartFactory<sup>KL</sup>
- Product and trademark protection
- Wireless, M2M & Internet of Things
- Smart connected
- IT security
- Cyber physical systems
- Control systems
- IPCs/SPS
- Industrial communication
- Sensor technology, measurement and control technology
- Image-processing sensors
- Security technology
- Connection/interface technology

#### Highlights, special displays, events

- Industrial IT & Industry 4.0 Forum (Hall 8)
- Wireless, M2M & Internet of Things (Hall 8)
- AMA Center (Hall 11)
- Industrial Automation Forum (Hall 14)
- Pumpe DE PUMPplaza (Hall 15)
- Product and trademark protection
- Application Park Robotics, Automation & Vision (Hall 17)
- Mobile Robots & Autonomous Systems (Hall 17)
- Robotation Academy (Pavilion 36)
- Automation & IT Tour (Halls 7-17)
- SmartFactory<sup>KL</sup> (Hall 8)

### Digital Factory

- Virtual product development (CAx)
- Product lifecycle management (PLM)
- Enterprise resource planning ERP (production planning)
- Manufacturing execution systems MES (production control)
- Additive manufacturing
- Process integration
- Visualization
- Supply Chain Management (SCM)
- Technical sales and service
- Virtual commissioning, offline programming and installation

#### Highlights, special displays, events

- Additive Manufacturing Plaza
- CAE Forum
- 7th MES Conference on 16.4.2015 (Convention Center)
- Additive Manufacturing Symposium on 14.4.2015 (Convention Center)

## Energy and environmental technologies

### Energy

#### Energy generation and storage (Hall 27)

- Renewable energy
- Fossil fuel
- Storage technologies
- Hydrogen and fuel cells
- Combined heat and power/contracting

#### Power transmission and distribution (Hall 13)

- Smart grids/grid management
- Cable technology/management
- Power supply/UPS systems/switching systems
- Energy management/capacitors
- Contact systems/superconducting
- New: Environmental engineering & resource efficiency

#### Power transmission and distribution (Hall 12)

- Transformers and electric filters
- Switching systems/technology
- Casings
- Testing and measuring equipment
- Power/signal converters
- Power electronics, relays

#### Highlights, special displays, events

- Decentralized energy supply (Hall 27)
- Smart Grids + Forum (Hall 13)
- Group Exhibit Hydrogen + Fuel Cells + Batteries (Hall 27)
- Energy Forum "Life Needs Power" (Hall 12)
- Renewable Energy Industry Forum (Hall 27)
- GreenSolutionsCenter Forum (Hall 13)
- InwaterSolutions (Hall 13)
- Energy Park (Open-air site)

### Wind

- Plant
- Components
- Services

#### Highlights, special displays, events

- Renewable Energy Industry Forum (Hall 27)
- Wind Power Suppliers' Forum on 15.4.2015 (Hall 4)

### MobiliTec

- Electric power transmission
- Hybrid power transmission
- Control and power electronics
- (Charging)infrastructure
- Mobile battery technology

#### Highlights, special displays, events

- MobiliTec Group Presentation
- MobiliTec Forum
- MobiliTec Test track (Open-air site)

## Power transmission and control

### MDA – Motion, Drive & Automation

- Fluid power (hydraulics, pneumatics, seals and filtration systems) (Halls 19, 20, 21, 23)
- Roller bearing and ball bearing systems (Halls 22, 24)
- Mechanical power transmission, clutches, gears and components (Halls 24, 25)
- Electric power transmission (Halls 14-17)
- Power transmission and applications for wind energy (Halls 25, 27)

#### Highlights, special displays, events

- MDA Forum (Hall 24)

## Industrial supply, production engineering and services

### Industrial Supply

- Forging (Hall 4)
- Sheet metal forming (Hall 4)
- Machined components (Hall 4)
- Systems/subassemblies (Hall 4)
- Casting products (Hall 5)
- Latches & Locking Systems (Hall 5)
- Operating elements (Hall 5)
- Fastening technology (Hall 5)
- Materials know-how (Hall 6)
- Parts and components made of (Hall 6):
  - Metals
  - Plastics
  - Composite materials
  - Natural/synthetic rubber
  - Engineering Ceramics
  - Foam and sandwich structures
- Joining/adhesive technology (Hall 6)
- Manufacturing technology (Hall 6)
- Lightweight construction (Hall 6)

#### Highlights, special displays, events

- Lightweight Construction + Solutions Area (Hall 6)
- Themed presentations
  - Forging (Hall 4)
  - SystemPartner (Hall 4)
  - "gegossene Technik" (Hall 5)
  - Engineering Ceramics (Hall 6)
  - WeP – Value-Adding Partner ContiTech (Hall 6)
- Suppliers Convention Forum (Hall 4)
- Materials Forum (Hall 6)
- Global Material Innovations (Hall 6)

### ComVac

- Compressed air generation, treatment, storage and distribution
- Compressors, compressor accessories and components
- Compressed air services
- Vacuum pumps
- Vacuum fittings/seals/valves
- Plant and components
- Consulting
- Contracting

### SurfaceTechnology

- Cleaning & pre-treatment
- Paint coatings
- Electroplating
- Equipment for measuring, testing and analysis
- Services
- Nanotechnology
- Industrial plasma coating

#### Highlights, special displays, events

- SurfaceTechnology Forum
- Surface World
- Practice Park "Competence Center for Surface Technology"
- VDMA Surface Technology Pavilion
- IVAM Product Market "Micro, Nano & Materials"
- SchauPlatz NANO/SurfPlanet

## Research and development

### Research & Technology

- Applications research:
  - Adaptronics
  - Bionics
  - Energy and environmental research
  - Materials research
  - Nanotechnology
  - Optical technology
  - Organic electronics
  - Engineered textiles
- Innovative trends in basic research
- Services for R&D
- Marketing of technologies, research locations and institutions
- Technology and know-how transfer:
  - technology push – problems in search of solutions
  - market pull – solutions in search of problems

#### Highlights, special displays, events

- tech transfer – Gateway2Innovation (forum, start-ups, networks)
- Presentation of the top 5 nominees for the HERMES AWARD
- F&T Arena (forum, presentations)
- Night of Innovations, 13.4.2015, 5.15 p.m.
